4929 Total increase.

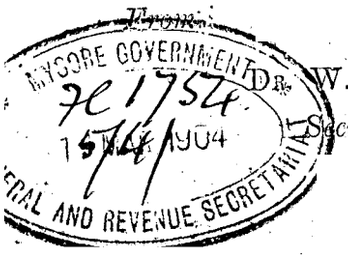
MYSORE GEOLOGICAL DEPARTMENT.

DATED BANGALORE, 15th April 1904

Gen. Fin. 585 of 03.
Sl. No. 1



From:

DR. W. F. SMEETH, M.A., D.Sc., A.R.S.M., &c.
Secretary to the Government of H. H. the Maharaja of Mysore,
Geological Department.

Anantasamy Rao, Esq., B.A.,
Offg. Secretary to the Government of
His Highness the Maharaja of Mysore,
General & Revenue Departments.

I have the honour to forward herewith the Budget Estimates of the Mysore Geological Department for the year 1904-5, and to submit the following observations thereon

As regards receipts the income from Royalty and fines on assignments and the fees on Prospecting licenses and Mining leases are credited under a separate head and is not credited to this Department.

2. The other sources of revenue in this Department are fees for assays and analyses and determination of specimens, sales of Departmental Publications and fees received on account of the issue of certificates to Landers, Blasters &c. of the Gold Fields.

3. As regards Publications they are generally forwarded to the Curator, Book Depot, for sale and any receipts thereunder are shown in his Department. A few copies are kept in this office for emergent requirements and any copies sold are replaced by

cash purchases from the Depot from prices received.

4. The revenue from assay and certificate fees is. are generally very fluctuating and must be studied for a few years more to calculate the average annual income.

5. For the above reasons no figures are entered under the head of receipts.

6. As regards expenditure the only items which call for remark are the increased provisions for the salaries of Assistant Geologists. Mr. Setlur and Mr. Tayaram have been recommended for promotion to the First Class on Rs. 300/-; and Mr. Sampat Iyengar is entitled under existing rules to be promoted to the grade of Assistant Geologist, Third Class, on Rs. 200/- and his case also is submitted to Government. The sanction of Government to these recommendations is awaited and in order to avoid further grants increased provisions have been made in respect of them.

7. The other items call for no remark as they are provided for under existing Orders.

I have the honour to be

Sir,

Your most obedient servant,

C. V. Setlur

for Secretary to Government,

Geological Department.
